# Mindy Neff

Mindy Neff is the award-winning author of over thirty novels and novellas. Her contemporary romances touch the heart, tug at the reader’s emotions, and always, without fail, have a happy ending.

Mindy is the recipient of the National Reader’s Choice Award, the Orange Rose Award of Excellence, the Romantic Times Career Achievement award and the Romantic Times Reviewer’s Choice Award, as well as W.I.S.H. awards for outstanding heroes, and two prestigious RITA nominations.

Originally from Louisiana, Mindy moved to Southern California where she met and married a very romantic guy a little over thirty years ago. They blended their families, his three kids and her two, and have been living happily (if a little insanely) ever after. Now, when she isn’t meddling in the lives of her five kids and ten grandchildren, Mindy hides out with a good book, hot sunshine, and a chair at the river’s edge at her second home along the Parker Strip in Arizona.

Mindy loves to hear from readers.
